The *MISSION*

Ryanda's Legacy is a non-profit organization focused on empowering female student athletes through providing financial assistance to those who share Ryanda's core values. We hope to inspire the next generation of student-athletes to chase their dreams, never take no for an answer, and pay it forward. We will work diligently to raise funds through fundraising and community outreach in order to give back to the community that Ryanda has inspired.

Our *FOUNDATION*

It is our hope that in giving scholarships - we will create a community of student-athletes who exemplify the standards and spirit embodied by Ryanda. Ryanda understood the value in helping those in her community and fostering connections – this non profit will do the same for young athletes in that same community.

Our *WHY*

Ryanda led her life with integrity, selflessness, and determination. Her youth revolved around athletics and it was her top priority to motivate those that surrounded her. She was a true leader on and off the field. We know that if she were here today, she would pour into her community and uplift every person she encountered. Her positive personality and drive influenced others to do the same throughout her life. This is why we wish to continue her legacy by helping others just as she did.

For 2024, the Ryanda's Legacy Foundation is funding scholarships in the minimum amount of \$500 per scholarship. Ryanda's Legacy Foundation will award approximately three (3) scholarships.
